AQA Combined Science Trilogy (8464) – Chemistry Revision Record

Name: _____ Class: _____

Weighting = estimated share of marks across the two chemistry papers (each paper 50%), based on recent AQA papers. ★★★ high (11%+) ★★☆ medium (8–10.5%) ★☆☆ low (under 8%). At least 15% of marks test practical skills, so revise the required practicals too. Record the date each time you revise a topic (e.g. 14/11/26).
