C19 The Equilibrium Constant K_p – Knowledge Organiser

AQA A-level Chemistry • Set 1: Partial Pressures and K_p **Paper 1**

#	Question	Answer
1	Mole fraction	Moles of gas ÷ total moles of gas
2	Partial pressure	Mole fraction × total pressure
3	Sum of mole fractions	1
4	Sum of partial pressures	Total pressure
5	K_p for $aA + bB \rightleftharpoons cC + dD$	$p(C)^c p(D)^d \div p(A)^a p(B)^b$
6	Species included in K_p	Gases only
7	Only factor that changes K_p	Temperature
8	Effect of total pressure on K_p	None
9	Effect of a catalyst on K_p	None
10	Effect of raising temperature on K_p for an exothermic reaction	Decreases
